# Thank You

*Dear Church family,*

*Thank you for your love and concern for me during my surgery and recovery. Stan and I were certainly recipients of Matthew 25:35-40 because you came to our aid with love, food, cards, calls, texts and visits.*

*We feel so blessed and "special" to be a part of such a caring church and we pray God's blessings on all of you.*

*In Christ's love,  
Stan & Faye Huffty*

*I want my church family to know how very much I appreciate all the wonderful cards, calls, prayers and countless other acts of love and concern for me when I had my heart cath and stents. Bro. Marty's visits were such a blessing to me and Wayne. Please continue to pray for me as I deal with this hip pain. Thank you so much for all your care and concern.*

*Loretta Hart*

*Dear Church Family,*

*We the Youth of NCH would like to thank many people for supporting us Wednesday night at our banquet. The list is long but we felt like telling you how much we appreciated your support. Thanks to Gloria Daniel and her team of decorators. The place was awesome. Thanks to the many adults who helped us serve and get the food out. Thanks to Sandra Miley for rounding up Johnny Hennessy's class to make great desserts. Thanks to the church staff for setting up tables, sound and taking care of the many details. Thanks to Rebecca and Beth for getting the kitchen crew together. Thanks to all of you who took your time and money to support our efforts. Thanks to Boomer and Abbie, our prospective youth minister and wife.*

*We apologize if your food was slow reaching you or cold. We had a few more present than we planned for, but that was amazing. Lastly, thanks Bro. Marty for getting Alvin Rosenow to play and being here. We probably left someone out, so thank you too....lol! We love our church!*

*NCH Youth*

*With Deepest  
Sympathy*

*The church family sends its love and deepest sympathy to Irving and Pat Sills, Clara Bess Nolan and the entire Sills family at the death of their brother, Robert Sills. You are all in our thoughts and prayers.*
